

IC Tomorrow's Leaders Today

FREE FILM AND YOUTH MENTORING SESSION

PRESENTED BY INSPIRATIONAL CINEMA, SPONSORED BY THE LADIES OF VARIETY

This innovative program motivates, inspires and informs students to make a difference in their own lives. It highlights individuals that are actively engaged in solving local and global issues, and contributing to the well-being of their environment and communities.

Film session: 30-40 min Film/Documentaries (people and programs being the change)
Panel Discussion: 30-40 min Inspirational Youth from our own community
Target Audience: Year levels 7-12

The ultimate purpose is to develop responsible, young, local citizens, who are inspired and empowered through connections, media literacy and values. This session can be followed up with the empowering and engaging student workshop, '**Values, Mobiles and Making Movies.**' This workshop will demonstrate how to take an innovative values-based approach for the positive use of mobile phone technology to create digital storytelling. This will assist the students to instigate personal/community change.
